State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code section 249A.4.

Purpose and Summary

The Department is adopting this rule making for the dental program to clarify that payment will be made for emergency services as defined in the federal regulations set forth in 42 CFR 438.114 as amended to April 7, 2022. This rule making also sets an annual benefit maximum for members 21 years of age or older of \$1,000 per fiscal year for coverage of dental services as set forth in rule 441—78.4(249A). Preventive services, diagnostic services, emergency services, anesthesia, and fabrication of removable dentures and related services do not count toward the annual benefit amount.

Public Comment and Changes to Rule Making

Notice of Intended Action for this rule making was published in the Iowa Administrative Bulletin on May 4, 2022, as **ARC 6313C**. No public comments were received. No changes from the Notice have been made.

Adoption of Rule Making

This rule making was adopted by the Council on Human Services on June 9, 2022.

Fiscal Impact

This rule making aligns rules with waiver and State Plan Amendment policies. Based on analysis by the Iowa Medicaid actuary and incorporated within current capitation rates, it is anticipated this rule making will result in a cost savings to the State. This change is already in effect, and savings have been incorporated into the Medicaid budget.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found.

Waivers

Any person who believes that the application of the discretionary provisions of this rule making would result in hardship or injustice to that person may petition the Department for a waiver of the discretionary provisions, if any, pursuant to rule 441—1.8(17A,217).

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its [regular monthly meeting](#) or at a special meeting. The Committee’s

meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).
